#	ID	Description	Status
1	Test Cases/EU/User Management/EK-8292 EU Android - Terms Condition Privacy Policy	Summary: EU Android - Terms & Condition | Privacy & Policy Description: This test case starts with verifying if "Terms and Conditions", and "Privacy and Policy" are visible to the user, if so click on them, and check if the outcome matches the requested page. For more insight on this sub-task, check the test case linked.	PASSED
2	Test Cases/EU/User Management/EK-8291 EU Android - Restore Password	Summary: EU Android - Restore Password Description: This test case starts from the login page, clicks on forgot password, inserts the username and emails in their fields, and clicks on restore password. For more insights on this sub-task check the test case linked.	PASSED
3	Test Cases/EU/User Management/EK-8293 EU Android - Disable after 10 login attempts	Summary: EU Android - Disable after 10 login attempts Description: This test case starts from the login page, inserting a username with a wrong password, and clicking on the sign-in button 10 times in a row, to check if the message returned is the correct one. For more insights on this test case, check the test case linked.	PASSED
4	Test Cases/EU/User Management/EK-8286 EU Android - Sign-in	Summary: EU Android - Sign-in Description: This test includes a simple insert of the username and the password in the fields, clicking on the sign-in button, and verifying if the patient directory appeared or not. For better understanding of this test please check the test case linked.	PASSED

EU Android User Management

#	ID	Description	Status
5	Test Cases/EU/User Management/EK-8287 EU Android - Logout	Summary: EU Android - Logout Description: This test case starts from the patient directory with the user logged in already, click on the left menu click logout, and confirm, For more insight on this test case please check the test case linked.	PASSED
6	Test Cases/EU/User Management/EK-8294 EU Android - Login as a user with multiple sites	Summary: EU Android - Login as a user with multiple sites Description: This test case starts by sign-in as a user with different sites, while having a different rule on each (site admin, site user, site viewer), this test case goes then to check if these rules are respected. for more insight on this test case, check the test case linked.	PASSED
7	Test Cases/EU/User Management/EK-8290 EU Android - Auto Logout	Summary: EU Android - Auto Logout Description: This test case starts from the patient directory, clicks on the left menu, to settings, sets the timeout to 1min, waits for 1min then checks for the eKare login page logo to ensure the auto-logout is done. For more insights on this sub-task check the test case linked.	PASSED
